

**INGHAM COUNTY ROAD COMMISSION
MASON, MICHIGAN**

NOTICE TO BIDDERS

**2010 TRAFFIC COUNTER
REQUEST FOR PROPOSALS**

Sealed proposals will be received by the staff of the Ingham County Road Commission until **2:00 P.M. local time on Tuesday, August 10, 2010**, at the offices of the Ingham County Road Commission Austin E. Cavanaugh Administration Building, located at 301 Bush Street, P.O. Box 38, Mason, Michigan 48854; at which time all proposals received will be publicly opened and read for the following:

PROPOSAL #1588:

In general, the Ingham County Road Commission has budgeted \$20,000 towards the purchase of road tube traffic data recorders capable of collecting volume, class, and speed data on high volume, low volume and multi-lane roads. The road commission wishes to maximize the return for its budgeted funds and has 25 existing TimeMark Delta III counters that they wish to trade-in to offset the cost of the new traffic counters. Counters must be delivered complete, providing out-of-the-box ability to connect (road commission provided) hoses for data collection and data analysis.

Proposals must be submitted in sealed envelopes plainly marked on the outside as to the proposal number, time due, and date of the bid opening. Proposals shall include technical data, complete listing of equipment, appurtenances, software, warranty, delivery costs, their respective unit prices and a total not-to-exceed cost to the road commission. The Board of Ingham County Road Commissioners will consider award of Proposal #1588 at a regularly scheduled meeting held after the bid opening.

The Ingham County Road Commissioners reserve the right to reject any and all proposals or to waive defects and to accept the proposal(s) in part or entirety that, in the opinion of the Board, are in the best interest and to the advantage of the Board of Ingham County Road Commissioners and the County of Ingham, Michigan.

BOARD OF INGHAM COUNTY ROAD COMMISSIONERS
